Dear Dr. Nandita Singh,

We respectfully submit our manuscript titled "*Lensfree On-chip Tomographic Microscopy employing Multi-Angle Illumination and Pixel Super-Resolution*" to **JoVE**.

We would like to suggest the following scholars as potential referees:

- (1) Prof. Ertugrul Cubukcu, University of Pennsylvania, The School of Engineering and Applied Science; cubukcu@seas.upenn.edu
- (2) Prof. Elliot Botvinick, UC Irvine, Beckman Laser Institute, elliot.botvinick@uci.edu
- (3) Prof. Hatice Altug, Boston University, Electrical Engineering Dept., altug@bu.edu
- (4) Prof. Ahmet Yildiz, UC Berkeley, Physics Dept. & Molecular and Cell Biology, yildiz@berkeley.edu

Due to conflicts of interest, we would like to also "**exclude**" the following scholars from a list of referees:

- (a) Changhuei Yang, Caltech
- (b) Utkan Demirci, Harvard Medical School
- (c) Shashi Murthy, Northeastern University,

We look forward to hearing back from you regarding our manuscript submission.

Best Regards.
