Hi Liz,

We approve this document so he can go ahead and sign it and use that in place of the normal ALA.

Thanks,
Kira

Just wanted to forward the e-mail the UK government author sent me. He also said we could add things and go back and forth to come to an agreement.

Thanks!
Liz

Dear Liz,

I have attached our standard form for passing on Crown Copyright, as checked by our Copyright Advisor.

I have filled everything out, so if you are happy with this document I can sign it and send you a copy. If you need to add things then I can get the relevant people here to check that it works for us so we are all happy.

Are you happy for us to go past the submission deadline to make sure we sort this out OK? I'm not sure it will get sorted by Monday on our end if there needs to be much back and forth, and I am out-of-the-office for 10 days starting on the 15th October.

Cheers

Andy

Dear Andy,

That might work - I know we have had UK government employees submit to our journal before, but I looked back and it seems like they altered the agreement themselves.

Do this and send it along and I will pass it onto management to make sure everything is alright!

Best,

Liz

Liz,

Thanks for the table, the license agreement still only has 'US government employee' though rather than UK...Would it be easier for my copyright guys to sort something out to handle the crown copyright?

Cheers

Andy

Dear Andy,

Thanks for letting me know about the status of your manuscript. I have attached our UK license agreement for you as well as the materials table. There will be a place to upload the table separately when you are submitting your manuscript and our website will build the table into the PDF.

Let me know if you have any other questions.

Best,

Liz

Dear Elizabeth,

The invited manuscript is currently going through internal review and I hope to submit it on Monday 15th October.

Do you have a copyright agreement with the option for a UK government employee rather than a US one? All our work is obviously Crown Copyright as we are a UK Government lab.

Also, the link for the template for the Table of Materials seems to be broken, could you send me the template? I was a bit unsure where to include this in the article/submission.

Cheers

Andy
