Copyright transfer. In consideration of the acceptance of the above work for publication, I do hereby assign and transfer to the Society for Leukocyte Biology (SLB) all rights, titles, and interest in and to the copyright in the *Journal of Leukocyte Biology*. This includes preliminary display/posting of the abstract of the accepted article in electronic form before publication. The journal grants the author permission to provide a copy of the accepted manuscript to NIH upon acceptance for Journal publication, with public release in PubMed Central twelve months after final print publication by the *Journal of Leukocyte Biology*.

Open access acknowledgment. I understand and agree that: (1) I, other authors, or third parties, may elect to pay the Open Access Fee, and without notification to any authors, have the article and its contents assigned a Creative Commons (or other) license, effectively making the article "Open Access"; (2) when an article is made Open Access by authors or third parties, copyright ownership will revert to the authors, who become responsible for enforcing and monitoring of the article's particular copyright licensing terms; (3) an Open Access license is assigned on a "first-come-first-served" basis, meaning that the journal will honor the first Open Access request it receives and will assign the appropriate license for that request once payment has been received; (4) Creative Commons and other Open Access licenses are permanent and may not be changed, removed, or retracted; (5) in the event a conflict among / between authors and / or third parties is brought to the attention of the journal or SLB regarding a specific copyright license or the assignment of a specific copyright license, the journal and/or SLB reserves the right to withhold any action until the dispute is settled fully before an appropriate authority, including but not limited to: presiding courts, arbitrators, author institution(s), etc. (6) SLB or the *Journal of Leukocyte Biology* will not investigate or settle copyright license disputes among authors, their representatives, funding agencies, institutions, or other interested parties.

This form must be signed by all authors. If any changes in authorship (order, deletions, or additions) occur after the manuscript is submitted, agreement by all authors for such changes must be on file with SLB. An author's name may only be removed at his/her own request and with written consent from all of the other authors, as well as final approval by the Editor-in-Chief. Material prepared by employees of the US Government in the course of their official duties cannot be copyrighted; work prepared by employees of the British or British Commonwealth government in the course of their official duties is subject to Crown Copyright and cannot be transferred to SLB. Nevertheless, authors must sign the form to indicate acceptance of all terms other than copyright transfer.

- ☐ Please check if this article was written as part of the official duties of an employee of the United States government.
- ☐ Please check if this article was written as part of the official duties of an employee of the British or British Commonwealth government.

Author responsibilities. I attest that:

1. the manuscript is not currently under consideration, in press, or published elsewhere, and the research reported will not be submitted for publication elsewhere until a final decision has been made as to its acceptability by the *Journal of Leukocyte Biology* (posting of submitted material on a website or by any other electronic means may be considered prior publication—note this in your cover letter);
2. the manuscript is truthful, original work without fabrication, fraud, or plagiarism;
3. I have made an important scientific contribution to the study and am thoroughly familiar with the primary data and;
4. I have read the complete manuscript and take responsibility for the content and completeness of the manuscript and understand that I share responsibility if the paper, or part of the paper, is found to be faulty or fraudulent.

Conflict of interest disclosure. All funding sources supporting the work and all institutional or corporate affiliations of mine are acknowledged in the appropriate section(s) within the manuscript. Except as disclosed in the manuscript, I certify that I have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent-licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted article, and that I accept full responsibility for the conduct of the trial, had full access to all the data, and controlled the decision to publish.

Author fees. I agree to pay pages charges and applicable color fees. Page charges for non-SLB members are \$150 per page. Page charges for SLB members are \$125 per page. Supplemental data are \$150 per unit, maximum of six units.

Author signatures. Use extra sheets as necessary. Multiple forms are acceptable.
