Dear Dr. Allen,

The American Association of Immunologists, Inc., grants permission to reproduce Fig 2, Fig 5, Fig 7 from the article, "The Ron Receptor Tyrosine Kinase Regulates Macrophage Heterogeneity and Plays a Protective Role in Diet-Induced Obesity, Atherosclerosis, and Hepatosteatosis," published in *The Journal of Immunology*, vol. 197, pp. 256-265, 2016, in Isolation, Characterization, and Purification of Tissue Resident Macrophages from Tissues Affected by Obesity-Related Inflammation, published by Journal of Visualized Experiments (JoVE), contingent on the following conditions:

1. That you give proper credit to the authors and to *The Journal of Immunology*, including in your citation the volume, date, and page numbers.
2. That you include the statement:

Copyright 2016. The American Association of Immunologists, Inc.

3. That permission is granted for one-time use only for print and electronic format. Permission must be requested separately for future editions, revisions, derivative works, and promotional pieces. Reproduction of any content, other than Figures and Figure Legends, from *The Journal of Immunology* is permitted in English only.

Thank you for your interest in *The Journal of Immunology*.

Sincerely,

Gene Bailey
Senior Editorial Manager
The Journal of Immunology

THE AMERICAN ASSOCIATION OF IMMUNOLOGISTS
