Editorial comments:

1. Please take this opportunity to thoroughly proofread the manuscript to ensure that there are no spelling or grammar issues.

We have done our best to prevent any spelling and grammar issues.

2. Step 1.1: Please specify the temperature.

The temperature was added to this part.

3. 1.3: Please specify the temperature after ramping down?

We have revised this part.

4. Step 2.1, 2.2: Please add more details to your protocol steps. Please ensure you answer the “how” question, i.e., how is the step performed? For steps that are done using software, a step-wise description of software usage must be included in the step. Please mention what button is clicked on in the software, or which menu items need to be selected to perform the step.

We have added more info and revised this part.

5. 2.3: What's the ratio of H₂SO₄: H₂O₂: H₂O? How long is it treated with the acid solution? Do you need to wash it after acid treating? Please add more details.

We have added more info and revised this part.

6. 2.5: Please add more details to your protocol steps. Please ensure you answer the “how” question, i.e., how is the step performed?
