**Subject:** Permission to use published material

Dear Editors,

Publication in HBPD-INT of our article "[Colonial Wig Pancreaticojejunostomy](#)" has created interest and the journal [JoVE](#) has invited us to publish a video of the technique in their video journal. I am therefore writing to request permission to publish a modified version of the figure, and some of the text to accompany the video. Do you have a standard form for such a request?

Many kind thanks,

Steve
