Phillip Steindel, Ph.D.

Review Editor, JoVE

Dear Dr. Steindel,

We were pleased by the positive responses of reviewers to our manuscript (JoVE58340). Acting upon the recommendation of the reviewers, we have incorporated new data (**Figures 2D-2F**), into the revised version of our manuscript. The insightful comments and suggestions made by the reviewers have been helpful in improving the manuscript, and we have addressed their concerns as detailed below.

Yours sincerely,

Hidenobu Mizuno, Ph.D.
