Dr. Phillip Steindel  
Review Editor  
Journal of Visualized Experiments

Dear Dr. Steindel,

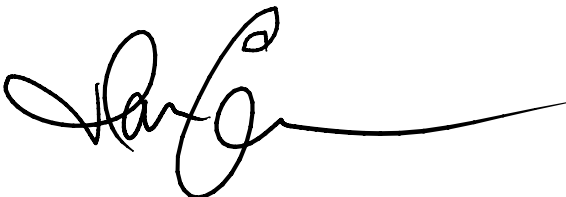

Thank you for favorably reviewing our manuscript entitled "In Vivo Imaging of Reactive Oxygen Species in a Murine Wound Model" for publication in JoVE. We have addressed the helpful editorial comments and modified the manuscript accordingly. Please find our responses to the editorial comments enclosed.

Please do not hesitate to contact me about any questions you may have about our manuscript. Again, we are delighted to resubmit our work to the journal, and look forward to hearing your final decision soon.

Best Regards,

Piul Rabbani, PhD.
