Dear Vineeta,

There is no copyright problem with the Figures 1 and Supplementary Figure 1 as these are part of the Master's thesis of Dr. Kaisa Oksanen (who is one of the authors of this publication, and according to Tampere University Library, the copyright of belongs to the author:

'According to effective copyright laws in Finland, the copyright belongs to the author. This is the case even if the author worked for an institution, such as a university, when the article was written; and no other agreement was made. If the work, e.g. an article or publication, has several authors, the copyright belongs to all of them.'

More information, please see

Dear Dr. Rämetsä,

Regarding your JoVE submission JoVE58453R2 Immunization of adult zebrafish for the preclinical screening of DNA-based vaccines,

Please obtain explicit copyright permission to reuse any figures from a previous publication. Explicit permission can be expressed in the form of a letter from the editor or a link to the editorial policy that allows re-prints. Please email this information as a .doc or .docx file.

Please get back to me in a day and I will put this up in the finalization pipeline

Please feel free to email me with any questions or concerns about your manuscript.

Best Regards,

Vineeta Bajaj, Ph.D.
