Dear Audrey,

Thank you for your permissions enquiry.

As one of the original contributing authors to this article you do not need specific permission to reproduce any of the images. However, I normally suggest a courtesy email to your fellow authors to avoid any future conflict.

The acknowledgement should state "reproduced/adapted with permission" and give the source journal name - the acknowledgement should either provide full citation details or refer to the relevant citation in the article reference list - the full citation details should include authors, journal, year, volume, issue and page citation.

Where appearing online or in other electronic media, a link should be provided to the original article (e.g. via DOI).

We wish you the best of luck with your project.

Kind regards

Richard
