

Editorial comments:

The manuscript has been modified and the updated manuscript, **58651_R2.docx**, is attached and located in your Editorial Manager account. **Please use the updated version to make your revisions.**

1. Please employ professional copy-editing services. The language in the manuscript is not publication grade and the review cannot continue.

The manuscript has been proofread by a science writer and several language issues have been amended.

2. The abbreviation BiTE (for bispecific T cell engager) is a registered trademark (see <https://www.biteantibodies.com/>). JoVE cannot publish manuscripts containing commercial language. Please spell out the abbreviation or use other abbreviations for this term.

An alternative abbreviation (BTE) is now used for this term throughout the manuscript, including the figures.
