

Cover letter for

“A method to visualize cellular gibberellin levels using the nlsGPS1 FRET biosensor”

Rizza A, Walia A, Tang B, Jones AM, 3 July 2018 JoVE 2018

Dear Editors,

We would like to submit for evaluation a protocol focused on gibberellin patterning in plant development. This manuscript was prepared as the documentary support for a video article in JoVE as invited by editors Indrani Mukherjee and Lyndsay Troyer.

Thank you kindly for the invitation and for consideration of this manuscript.

Best regards,

A handwritten signature in black ink that reads "Alexander M. Jones". The script is cursive and fluid, with the first letters of each word being capitalized and prominent.
