Subject: Re: question for manuscript

Hi Jenny,

With your purchase, you have rights on the software and can use images from studies as needed.

Todd Crabtree, BS CRT
Senior Clinical Specialist
Philips Respironics

Todd-

I have a bit of a random question. We are preparing a manuscript for publication which includes an image of the PDX hypnogram that shows oximetry. Does Respironics have a policy regarding the use of images from the PDX report in publications? I'm unsure if we need permission to use the image.

Thanks!
Jenny
