Dr. Bing Wu
Review Editor
JoVE

Dear Dr. Wu,

Thank you very much for reviewing our manuscript entitled "Preparation of Poly(pentafluorophenyl acrylate) Functionalized SiO₂ Beads for Protein Purification" (JoVE58843). Point-by-point responses to both the editorial and reviewers' comments are attached in the next pages. We have revised our original manuscript to accommodate all the valuable comments raised, and the changes have been tracked in the revised version.

I sincerely hope that the revised manuscript would resolve all the comments. Thank you very much for your input and careful handling of our manuscript.

Sincerely,

A handwritten signature in black ink that reads "Sheng Li". The signature is written in a cursive, flowing style.
