

**Dear Author(s),**

***This document is divided into a number of sections in which you can add your comments to the video, voiceover, and online text/PDF. Please be aware that our policy is to do a single complimentary revision, so it is critical that all participants in this project offer their comments collectively. In addition, please make sure that your comments are easily interpreted and transparent.***

**Have fun!**

**Protocol Name:** Two-vessel Occlusion Mouse Model of Cerebral Ischemia-reperfusion

## Online Text/PDF Protocol

Please use this table to address changes that need to be made to the online text/PDF document. Both the online text and PDF are generated from the HTML template of your article. Since the PDF is generated from the HTML by our conversion software, it may contain formatting errors. For major structural changes or more than 10 spelling or grammatical mistakes, we will require re-upload of the entire document.

	Protocol Step	Comment	Requested Change (highlight in bold)
1.	1.10	Use tape to clear the fur from the mouse's body and disinfect the surgical site with 70% ethanol.	Use <b>epilating cream</b> to clear the fur from the mouse's body and disinfect the surgical site with 70% ethanol.
