Dear Dr. Demmers,

Elsevier journal authors retain the right to use or re-use portions or excerpts in other works, subject to proper acknowledgement; see <https://www.elsevier.com/about/our-business/policies/copyright/personal-use>. As this is a retained right, no written permission is necessary provided that the material is not credited to any third party and that the original source is properly acknowledged.

If I may be of further assistance, please let me know.

Best Wishes,
Laura

I would like to use some figures from a published paper authored by myself for a book chapter that is going to be published by Caister Academic Press. The publication details are to be found in the attached form (pdf). Could you please fill out the rest of the form and send it back to me? Thank you.
