Dear Dr. Bajaj, and Drs. Riddle and Tabin,

Please find our re-revised manuscript entitled "Behavioral tracking and neuromast imaging of Mexican cavefish" for consideration in the method collection "Current methods in *Astyanax mexicanus* research" of JoVE.

We thank other Editor's comments to make our manuscript to be publishable level. As we talked on the phone, we addressed Dr. Bajaj's points and here include our responses and manuscript.

All authors have approved the manuscript and agree with the submission of our revised manuscript to JoVE.

Sincerely yours,
