

Video:

1. Move the ethics statement after the interview of the Dr. Yoshizawa to mark the start of the protocol section.

[Addressed](#)

2. 1.49: Video analysis title card is not needed as it is describing the behavior assay. — so remove this title card.

[Addressed](#)

3. Figure 5 in the video: Add scale bar in the images taken with the microscope (panel C and D)

[Addressed](#)

4. After all the changes please ensure that the video is no more than 15 min in length.
