Re: Protocol for Flow Cytometric Analysis of Extracellular Vesicles from Cell-Conditioned Media (JoVE59128-R2)

Dear Dr. Steindel

Thank you for reviewing our manuscript.

We have addressed Editor's comments, all changes made in the text are tracked by red color. Essential steps of the protocol for the video are highlighted in yellow.

On behalf of all of the authors, I thank you for considering our revised manuscript for publication in JoVE.

Best regards
