Dear Shirozu,

Regarding your JoVE submission JoVE59488R2 Pupillary response as assessment of effective seizure induction by electroconvulsive therapy,

Please email me the permission document from NeurOptics for Figure 1.

Please feel free to email me with any questions or concerns about your manuscript.

Best Regards,

Alisha DSouza, Ph.D.

[About JoVE](#)

In compliance with data protection regulations, please contact the publication office if you would like to have your personal information removed from the database.

Dr. Kyushu-san,

This email is to confirm that NeurOptics, Inc. provides permission for you and your editor to use the three images of our product represented on the attached (Figure 1-A, Figure 1-B, and Figure 1-C) for your paper submission to Journal of Visualized Experiments (JoVE). We request you and your editor please reference the instrument as follows: **NPi®-100 Pupillometer by NeurOptics, Inc.**

Please let me know if you have any further questions or needs.

Best regards,

Kathleen K. Pierson
