

My apologies but I was not able to reduce the video file to less than 50MB. At native res, the video file is ~1.5GB; the reduced size is ~415MB. We would be happy to work with JoVE production to reduce final file size. To facilitate review, the revised video (415BM) has been uploaded to dropbox and can be accessed at:

https://www.dropbox.com/s/fi7y759wg2eirzl/Mahon_JoVE_MS59592_04172019_ReducedSize.mp4?dl=0
