

Manuscript JoVE59677R1

Editorial comments:

The editor has formatted the manuscript to match the journal's style. Please retain the same.

[Done.](#)

Please address specific comments marked in the manuscript.

[Done.](#)

Presently the protocol is more than 10 pages, including heading and spacings, which is our hard cut limit. Please combine some shorter steps into one so that there are 2-3 actions per step, please remove some redundant notes and please consider moving some of the notes to the discussion section.

[Done.](#)

Once done please ensure that the highlight is no more than 2.75 pages including headings and spacings.
