Dear Dr. Bajaj,

We are resubmitting a manuscript, "High-throughput co-culture assays for investigation of microbial interactions" (JoVE60275) to *JoVE* as a contribution to the Immunology and Infection section managed by Dr. Jaydev Upponi. We thank the editors and reviewers for the comments and suggestions for improvement. We have addressed points raised during the review and have modified the manuscript accordingly.

We have submitted a point-by-point summary of the changes to the manuscript based on the suggestions from the editors and the reviewers. Thank you for consideration of this revised version.

Sincerely,

Reed Stubbendieck, Ph.D.
