Yes, you may use it as long as you conform to these formal requirements:

- (1) Is permitted to copy, distribute, transmit, and adapt the Manuscript;
- (2) Is not permitted to make commercial use of, or license or sublicense the Manuscript for commercial use; and,
- (3) Is required:
  - a. To attribute the work to the author (in a way that does not suggest that the authors endorse the users or any user's use);
  - b. To include the terms of this license so that they apply to any subsequent use or distribution; and,
  - c. To respect the fair use rights, moral rights, and rights that the Authors and any others have in the Manuscript.

Hello,

I would like to use Figure 5 from a recent publication.

<https://www.molbiolcell.org/doi/10.1091/mbc.E17-12-0743> for a methods article in the Journal of visualized experiments (JoVE). JoVe editors are requesting explicit consent to use this in our manuscript. How do I obtain this permission?
