

AUTHORITY TO USE COPYRIGHTED MATERIAL IN PEER REVIEWED SCIENCE JOURNALS (AAFC Authors Only)

TO: (Name of Publisher) Journal of Visualized Experiments
 (Address of Publisher) JOVE Editorial, 1 Alewife Center #200, Cambridge, MA 02140 USA
www.jove.com

This refers to a work entitled
"Genetic transformation of plant mitochondria with mTP-DNA nano-complexes"

(the "Work"),

which was authored in part by the following author(s) who carried out research and contributed to the Work in the course of their employment with the Department of Agriculture and Agri-Food (Canada) ("AAFC"):

(name) Alicja Ziemienowicz, Fengying Jiang
 (name) Trevor MacMillan

1. The Work is submitted for publication in: (name of journal) "PubMed-indexed video methods journal" (the "Publication") by "the Publisher" (name of person/entity receiving the permission).
2. The copyright interest relating to the contribution of the above-named author(s) is, pursuant to Section 12 of the *Copyright Act* of Canada, owned by Her Majesty the Queen in Right of Canada - that is, by the Government of Canada, as represented by the Minister of Agriculture and Agri-Food.
3. The Minister of Agriculture and Agri-Food hereby grants Journal of Visualized Experiments (name of Publisher) a non-exclusive, world-wide and royalty-free permission to publish the Work, on the condition that the Journal of Visualized Experiments (name of Publisher) identifies the authors of the Work, and that it/he/she also gives notice of the vesting of copyright in the Work and identifies the holders of the copyright in the Work, by publishing a prominent copyright notice in association with the Work, which notice shall include the following information relating to Canada's interest in the copyright and the identity(ies) of the AAFC employee(s) who are among the authors of the Work :

author(s): Trevor MacMillan, Fengying Jiang, Alicja Ziemienowicz

(name of AAFC employees)

of the Department of Agriculture and Agri-Food, Government of Canada;

© Her Majesty the Queen in Right of Canada, as represented by the Minister of Agriculture and Agri-Food Canada.

4. The Work may be published by Journal of Visualized Experiments (name of Publisher) as part of the above-mentioned issue of the Publication in all media, including print, electronic and microfilm. Journal of Visualized Experiments (name of Publisher) may authorize end-users of the Publication to include the Work as part of an electronic version of the Publication, in conjunction with computer systems and/or programs, and to reproduce the Work as part of the Publication, in machine-readable form and/or incorporated in a database.

5. ☒ The Minister of Agriculture and Agri-Food hereby grants Journal of Visualized Experiments
(name of Publisher) a non-exclusive, world-wide and royalty-free permission to translate or to have translated and to reproduce the Work, as part of the Publication. If this permission to translate is granted, it shall be subject to the conditions set out in Section 4 above. Furthermore, Journal of Visualized Experiments
(name of Publisher) shall be responsible for ensuring that the translation is accurate.
6. The permissions set out herein do NOT transfer copyright in the Work itself to the recipient of the copyright permission.
7. AAFC represents that to the best of its knowledge the Work is original and the Work has not been published before.
8. Journal of Visualized Experiments (name of Publisher) accepts all responsibility for its/his/her use of the Work and agrees to indemnify and save harmless Her Majesty the Queen in Right of Canada and all her representatives, from and against any claim resulting therefrom.
9. Journal of Visualized Experiments (name of Publisher) may provide permission to publish and/or reproduce the Work to others on these same terms and conditions.
