Dear Dr. Steindel,

We thank you for the opportunity and guidance to revise our manuscript. We also thank the reviewers for their valuable and constructive comments and suggestions, which are of great help in revising the manuscript. We have carefully addressed each comment and question, and revised the manuscript accordingly.

We believe that this revised version of our manuscript is now appropriate for *JoVE*. We thank you in advance for your kind consideration.

Respectfully,

Zhao-Jun Liu, MD., PhD.
