Hi Shayan,

Of course, our pleasure. You can freely use the requested image for your article(s).
Simply a small attribution in the bottom corner (i.e. to the right) of the image, "© Motek Medical B.V." would be kind and suffice.

Please keep us in the loop and drop us a message and link when the article is published! So we can share it, too, and, of course, read it ourselves.

Thank you very much.

Kind regards,
