Dear Dr. Bajaj,

We would like to submit our revised manuscript titled "**Isolation of Murine Spermatogenic Cells Using a Violet-Excited Cell-Permeable DNA Binding Dye.**" for publication in *JOVE*.

We thank you for final instructions our manuscript (JoVE61666). This instruction enabled us to further improve the manuscript.

We provide, in full, responses and descriptions for how we address all of the Editorial comments.

We also addressed all the comments in the text. Please see the comments in the text. We highlighted changes in red.

We thank you again for your immensely helpful criticism, and we thank you for your consideration.

Most sincerely,

Satoshi H. Namekawa, PhD

Associate Professor  
Division of Reproductive Sciences, Division of Developmental Biology,  
Cincinnati Children's Hospital Medical Center
