

Response to Editorial comments:

1. The editor has formatted the manuscript to match the journal's style. Please retain and use the attached file for revision.

We used the file for revision.

2. Please address all specific comments marked in the manuscript.

We addressed all specific comments in the text. Please see out response in the text.

3. Once done please ensure that the highlight is no more than 2.75 pages including headings and spacings.

Done. It is now almost 2.75 page length.

4. Please reword lines 180-182, 184-186, 224-227, 270-272. Is figure 2 taken from previously published literature? If not please reword the legend.

We reworded the suggested sentences. Figure 2 is not taken from previous literature. We reworded the legend.
