Re: Atomic Force Microscopy Combined with Infrared Spectroscopy as a Tool to Probe Single Bacterium Chemistry

By Kamila Kochan, Anton Y. Peleg, Philip Heraud and Bayden R. Wood

Dear Dr Bajaj,

Please find the manuscript with responses to Editorial comments, included as replays to comments directly in the manuscript file. The changes were made in “Track changes” mode and highlighted in green to assist the editorial process (in addition to yellow highlighting for filming).

Yours sincerely,

A handwritten signature in blue ink that reads 'Kamila Kochan'.
