Dear Dr. Vineeta Bajaj,

We would like to kindly thank the reviewers and the Journal of Visualized Experiments editorial team for their constructive suggestions, positive feedback and the opportunity to submit a revised version of our manuscript entitled '*Detection of SARS-CoV-2 neutralizing antibodies using high throughput fluorescent imaging of pseudovirus infection*' (JoVE62486). We have addressed each of the comments/suggestions of the editorial team and reviewers and modified our manuscript accordingly.

We hope that the editorial board members will find our modified manuscript suitable for publication. Thank you again for the opportunity to submit our revised manuscript to the Journal of Visualized Experiments, we look forward to filming the accompanying video.

Sincerely,

Carolina Ilkow, PhD
