Dear Prof. Rohini Muthuswami,

Thank you for your email, I am Maddie with Copyright Clearance Center (CCC) and I am happy to assist you. At CCC we grant permission to reproduce copyrighted materials on behalf of copyright owners who list their titles with us.

I visited the article you mentioned here: <https://www.nature.com/articles/srep17910> and clicked on the *Rights & Permissions* button, under Sections (right side). This led me to our RightsLink platform where the following message is displayed:

As such, please feel free to reuse the images in your new work.

All the very best,
Maddie

Dear Editor

We would like to obtain permission to reuse the figures from the article:
SMARCAL1 Negatively Regulates C-Myc Transcription By Altering The Conformation Of
The Promoter Region (<https://doi.org/10.1038/srep17910>)
The authors of this paper are:
Tapan Sharma, Ritu Bansal, Dominic Thangminlen Haokip, Isha Goel, and Rohini
Muthuswami.
This was published in 2016.
We would like to use figure 5 and figure 6 for a manuscript to be published in Journal of
Visualized Experiments.

Sincerely
Rohini Muthuswami
