Re: **Manuscript:**

***“Light-controlled fermentations for microbial chemical and protein production”***

Dear Benjamin,

I am pleased to submit a newly revised version of our manuscript referenced above to be considered for publication in *The Journal of Visualized Experiments (JoVE)*, for the Methods Collection on optogenetic methodology.

We have addressed all the editorial comments within the revised document, tracking changes and adding comments. Thank you for your continued consideration.

Yours sincerely,

A handwritten signature in black ink, appearing to read "J. Avalos", written over a horizontal line.
