

Jove shoot #70973 - Instem, Bangalore - 25th May 2025 - Diya Binoy Joseph

General notes:

1. Shot numbers are **audio cues** in the file. Shot numbers with corresponding file numbers are given below for convenience for logging. Shots are not necessarily in order of script. Please check shot number.
2. Sometimes multiple takes were done. The best takes are indicated below with the comment **USE THIS. Also indicated by CAN USE THIS** when there are options.
3. Everything shot in 1080p. Shot at 25fps.
4. **Lab Media will be shared directly by the client**
5. **Microscopy shots will be shared directly by the client**
6. **Some shots from the script have been combined. Some additional shots**
