

## Frequently Asked Questions

### General

#### **What is JoVE Quiz?**

JoVE Quiz is a one stop assessment solution to gauge your students' understanding of concepts covered in JoVE videos.

#### **Do I have to create my own questions?**

JoVE Quiz comes with a preset list of questions that cover topics discussed in JoVE Education videos. Each JoVE Education video has 3 – 5 questions available for you to use.

#### **Am I limited to using the questions provided by JoVE?**

Not at all! JoVE Quiz allows you to create your own questions as needed. In addition, you can modify the existing questions and respective answer choices provided by JoVE.

#### **Does JoVE Quiz only offer Summative Assessments?**

The JoVE Quiz platform provides the flexibility for instructors to decide whether they would like to assign formative or summative assessments. We give you the option to make a quiz graded or ungraded. Additionally, you can structure a quiz to include a video followed by questions or just the questions.

#### **Can I get assistance in creating quizzes?**

Absolutely! You can reach out to a Curriculum Specialist from our Customer Success team for assistance in creating quizzes.

If you'd like someone from our Customer Success team to reach out to you, please contact us at [customersuccess@jove.com](mailto:customersuccess@jove.com)

### **Do you have any tutorials or resources on how to use JoVE Quiz?**

We sure do! When you open up JoVE Quiz from the JoVE website, the Help tab on your dashboard has several tutorial videos on how to use the various features available on JoVE Quiz.

## **Accessing JoVE Quiz**

### **How do I access JoVE Quiz?**

The JoVE Quiz feature can be accessed from the following launch points on the JoVE website ([www.jove.com](http://www.jove.com)):

- Under the Education drop down on the JoVE homepage
- Banners on the JoVE Core, JoVE Science Education, and JoVE Lab Manual landing pages
- By clicking the 'Go To Quiz' button available on the right hand side of the videos on the JoVE website. Note: Only videos that are available to be used with the JoVE Quiz feature will have this button.

### **Do I need a JoVE account to access JoVE Quiz?**

Yes, in order to access the feature you will need to login to your JoVE account. If you do not have a JoVE account, you will need to sign up for one on the JoVE website.

### **Do my students need a JoVE account to access a quiz assigned to them?**

Yes, in order to take an assigned quiz on the JoVE website your students will need to create an account and log in.

## Do I need to pay to use JoVE Quiz?

No, JoVE Quiz is available to all our users for free!

However, the content available to you within JoVE Quiz will depend on your institution's JoVE subscription.

For questions regarding JoVE subscriptions, [please contact us here](#).

## Is JoVE Quiz compatible with my LMS?

LTI 1.3 is currently available for Blackboard, D2L, Canvas, and Moodle. For LTI related inquiries or assistance, [please contact us here](#).

## 'Old' JoVE Quiz Platform

### What happened to the old JoVE Quiz platform I was using?

The legacy quiz platform has been phased out and is no longer functional for the creation of new quizzes.

### Can I access my data from the old quiz platform?

Yes, you definitely can. Any data in the old quiz platform such as students' grades are still available.

You can access the data in the old quiz platform by using the link available in the 'Help' tab of the JoVE Quiz feature.

**My students have not completed a quiz I assigned on the old quiz platform. Can they still access and complete it?**

Yes, any active quizzes that were created and assigned before January 3<sup>rd</sup>, 2022 can still be taken.

However, you will not be able to edit or assign a quiz to a new set of students.
