## Materials

| Name                                 | Company                           | Catalog Number | Comments |
|--------------------------------------|-----------------------------------|----------------|----------|
| Isoflurane, USP (AErrane)            | Baxter International Inc.         | CA2L9108       |          |
| NAIR                                 | Church & Dwight Co.               |                |          |
| Tears Naturale P.M.                  | Alcon                             | DIN 02082519   |          |
| Omniscan (gadodiamide injection USP) | GE Healthcare                     | J-110A         |          |
| Custom Sleds                         | Dazai Research Instruments        |                |          |
| PBS w/o Ca and Mg                    | Wisent Inc.                       | 311-010-CL     |          |
| Heparin 10000USP/10ml                | Pharmaceutical Partners of Canada | DIN 02264315   |          |
| ProHance (gadoteridol injection USP) | Bracco Diagnostics                | 11181          |          |
| Parafolmadehyde (powder)             | Sigma-Aldrich                     | P-6148-500g    |          |
| Sodium Azide                         | Fisher Scientific                 | S227-100       |          |
| Formalin 10%                         | Fisher Scientific                 | SF100-4        |          |
