Materials

Name	Company	Catalog Number	Comments
Stereo testing	http://www.stereooptical.com/products/stereotests	Titmus stereofly test	Handheld testing devices
Prebuilt stereo devices	http://www.stereoaid.com.au	prebuilt stereoscopes	Suitable for desktop and laptop computers
Mirror stereoscope	Custom made; or, Edmundoptics	8 mirror stereoscope	www.edmundoptics.com
Graphics card	NVidia		NVidia or ATI recommended
Experimental control software	MATLAB		MATLAB, Python, C++, Visual Basic recommended
Experimental control software	Psychtoolbox.org	Psychtoolbox	Free to download but requires MATLAB
Statistical software	Graphpad	Prism V5	http://www.graphpad.com/
Statistical software	Palamedes	Psychophysics guide	http://www.palamedestoolbox.org
3D Projection documentation	Wikipedia		http://en.wikipedia.org/wiki/3D_projection
