## **Materials**

| <b>Name</b>                                      | <b>Company</b> | <b>Catalog Number</b> | <b>Comments</b> |
|--------------------------------------------------|----------------|-----------------------|-----------------|
| 5-holed Nose Poke with 3 Stim Cue Light Rat Cage | Coulbourn      | H21-06M/R             |                 |
| Test cage                                        | Coulbourn      | H10-11R-TC            |                 |
| Graphic State Software                           | Coulbourn      |                       |                 |
| Programmable tone/noise generator                | Coulbourn      | A12-33                |                 |
| Dustless precision pellets                       | Bio-Serv       | F0165                 |                 |
| Speaker module                                   | Coulbourn      | H12-01R               |                 |
