Materials

Name	Company	Catalog Number	Comments
Polhemus FASTRAK	Polhemus Inc.		6 degrees of freedom electromagnetic motion tracking device with 4 sensors
Presentation	Neurobehavioural Systems Inc.		A fully programmable software for experiments involving data acquisition and stimulus delivery
Cutom built Exoskeleton	80/20 Inc. - The industrial erector set	Varies	Various parts used to build the exoskeleton
Brainsight	Rogue Research Inc.		Neuronavigation software to track coil position throughout the experiment
