Keywords: Errata, Issue 88,

Date Published: 6/25/2014

Citation: Erratum: Imaging InIC Secretion to Investigate Cellular Infection by the Bacterial Pathogen *Listeria monocytogenes*. *J. Vis. Exp.* (88), e5414, doi:10.3791/5414 (2014).

Abstract

A correction was made to [Imaging InIC Secretion to Investigate Cellular Infection by the Bacterial Pathogen *Listeria monocytogenes*](#). Three authors were omitted from the article at the time of publication. The acknowledgments section was also updated. The author list has been updated from:

Andreas Kühbacher^{1,2,3}, Edith Gouin^{1,2,3}, Pascale Cossart^{1,2,3}, Javier Pizarro-Cerdá^{1,2,3}

¹Unité des Interactions Bactéries Cellules, Pasteur Institute, ²INSERM U604, ³Institut National de la Recherche Agronomique (INRA), USC2020

to

Andreas Kühbacher^{1,2,3}, Edith Gouin^{1,2,3}, Jason Mercer⁴, Mario Emmenlauer⁵, Christoph Dehio⁵, Pascale Cossart^{1,2,3}, Javier Pizarro-Cerdá^{1,2,3}

¹Unité des Interactions Bactéries Cellules, Pasteur Institute, ²INSERM U604, ³Institut National de la Recherche Agronomique (INRA), USC2020,

⁴Institute of Biochemistry, ETH Zürich ⁵Focal Area Infection Biology, Biozentrum, University of Basel

The acknowledgments were updated from:

Research in P. Cossart laboratory is supported by the Pasteur Institute, the Institut National de la Santé et de la Recherche Médicale, the Institut National de la Recherche Agronomique, ERC Advanced Grant (233348), the Agence Nationale de la Recherche (Grant MIE-SignRupVac), the Louis-Jeantet Foundation and the Fondation Le Roch Les Mousquetaires. A.K. is a recipient of a scholarship from the Pasteur-Paris University International Doctoral Program/Institut Carnot Maladies Infectieuses. We thank Jason Mercer for optimizing the cellular transfection protocol.
