Materials

Name	Company	Catalog Number	Comments
moorFLPI LSCI	Moor Instruments	Not Available - Online Link Provided in description	moorFLPI is an instrument designed for the measurement of blood flow within microvasculature by using infra red laser speckle contrast analysis. https://gb.moor.co.uk/
moorFLPI Image Review Module	Moor Instruments	No Available - Online Link Provided	Used with moorFLPI, user can record and measure changes in blood flow by changing a colour coded map of tissue perfusion. https://gb.moor.co.uk/
Leukotape	BSN Medical	72978-10	Medical tape with microporous surface. http://www.bsnmedical.co.uk/fileadmin/z-countries/United_Kingdom/PDF/L/Leukotape_K_A46PP_low_res_11112013.pdf
